## EDUCATION:

M.L.I.S. Graduate School of Library and Information Science, University of Illinois, Urbana-Champaign, IL

B.A. in English, Kalamazoo College, Kalamazoo, MI

## LIBRARY EXPERIENCE:

September 2023-present

### Head, Digital Library Services

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Supervise Digital Operations, Utah Digital Newspapers, Digital Preservation, and Digital Initiatives/Metadata Departments. Provide direction and consultation for digital library services, both within the University of Utah and for external partners. Supervise full-time staff and librarians in the Digital Library Services department.

### Selected Accomplishments:

- Partnered with faculty to develop new digital collections such as Construyendo Latinidad Oral Histories and the Enslavement in Territorial Utah Documents Collection.
- Set-up and managed ongoing discussions of born digital use cases and practices between Digital Library Services and Special Collections.
- Supported development of metadata and digital preservation workflows for previously scanned photos and audio visual materials, with over 500 collections processed.
- Promoted to Librarian in July 2024.

April 2022-September 2023

### Interim Head, Digital Library Services

September 2020-January 2022

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

April 2017-September 2023

### Digital Initiatives Librarian

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Managed descriptive metadata work for the J. Willard Marriott Library's digital collections. Supervised metadata staff and librarian. Identified and supported innovative solutions for ongoing metadata work. Coordinated legacy metadata remediation and enhancement in the digital library. Consulted on new digital initiatives and projects across library departments.

### Selected Accomplishments:

- Collaborated to develop the Utah COVID-19 digital collection, which documents the regional response to the pandemic. Developed partnerships with University of Utah faculty for born digital oral histories.
- Led efforts to standardize dates across University of Utah Digital Library, resulting in completion of a large scale date enhancement and remediation project to support greater date-based discovery in the digital library.
- Participated in efforts to assess and improve rights statements across the library's digital collections, ensuring more accurate information for users on use and reuse of digital library items.
- Coordinated and supported adoption of OmekaS, software for digital exhibits. Led efforts to develop Digital Exhibits policy to support this work. Developed training materials.
- Managed metadata enhancements and improvements for the digital library, including adoption of FAST subject headings for faceting in digital collections.
- Developed pilot project for "Collections as Data," making digital collections data more accessible to digital humanities researchers.
- Awarded tenure and promoted to Associate Librarian in July 2019.

April 2015-April 2017

### **Metadata Librarian**

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Created metadata records in support of the J. Willard Marriott Library's digital collections. Audited and improved metadata in existing collections. Supervised part-time metadata staff, supporting continuing education and ensuring quality control for metadata records. Consulted on metadata and digital library projects for internal and external departments.

#### **Selected Accomplishments:**

- Co-PI for IMLS planning grant exploring data models, systems, and workflow for regional digital library authority control. Awarded \$50,000.
- Developed assessment workflow for legacy collections, identifying areas for improvement and remediation. Trained part-time staff on assessment procedures.
- Provided metadata consultation for large scale digital collections migration project.

April 2016-November 2016

### **Interim Program Director**

Mountain West Digital Library, University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Enhanced stability and sustainability of MWDL by coordinating MWDL membership program, managing renewals and membership services. Served as ex-officio member of the MWDL Governing Board. Provided outreach to MWDL community. Served as co-chair of MWDL Digitization committee.

#### **Selected Accomplishments:**

- Ensured success of shared governance for MWDL by managing elections for first member repository and collections partner representatives to the MWDL board.
- Managed MWDL digital collections harvesting program, auditing 23 and harvesting 41 new collections from multiple repositories, contributing to continuity and growth of the MWDL program.

August 2013-June 2015

### **Digital Metadata Librarian, Mountain West Digital Library**

Utah Academic Library Consortium, University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Supported improvement of metadata standards and metadata in MWDL partner digital collections. Facilitated ingestion of new collections into MWDL via ExLibris Primo. Performed metadata audits of new collections to ensure standards are being met. Resolved interoperability issues with metadata harvesting. Supported MWDL harvests into the Digital Public Library of America. Assisted with development of MWDL website. Developed and provided metadata training for MWDL partners. Served on and assisted with MWDL task forces and committees.

#### **Selected Accomplishments:**

- Coordinated metadata auditing, technical troubleshooting, and collections harvested for major new repositories for the MWDL, including the Montana Memory Project, Arizona Memory Project, Stacks (Idaho Commission for Libraries), University of Idaho, and more.
- Assessed and reviewed over 150 new digital collections for conformance to the MWDL application profile, ensuring greater standardized metadata practices among the digital library repositories harvested by MWDL.
- Worked on several large scale grants awarded to the MWDL and managed by the Digital Public Library of America, including the Public Library Partnerships Project from the Bill and Melinda Gates Foundation and grants from the National Endowment for the Humanities, the Institute for Museum and Library Services, and the Knight Foundation.
- Contributed to the growth of MWDL by harvesting 150,000 new metadata records and adding over 200 new collections.

June 2011-March 2015

### **Digital Projects, J. Willard Marriott Library**

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

- Assisted with Utah Digital Newspapers, <http://digitalnewspapers.org> program.
- Facilitated ingestion of digital newspaper materials into the Ex Libris Rosetta system for digital preservation.

- Served on EZID Implementation Task Force, Rosetta Implementation Group, and Digital Asset Management Systems Review Committee.
- Project manager, Western Waters Digital Library, <http://westernwaters.org> Administered ongoing metadata harvests through Open Harvester Systems. Communicated with local collection managers and representatives of the Greater Western Library Alliance about new items, collections, and projects for WWDL. Updated WWDL blog.

**Selected Accomplishments:**

- Authored environmental scan on persistent identifiers and chaired implementation task force resulting in large scale implementation of EZID service and adoption of Archival Resource Keys (ARKs) for use in the Digital Library, ensuring items have unique identifiers that are not dependent on a particular digital library repository system.
- Assisted in the development of the SIMP tool, a locally developed software package that bridged workflows between a digital asset management system (CONTENTdm) and preservation system (Rosetta), improving workflows for digitization, digital preservation, and metadata creation.
- Directed revitalization of the Western Waters Digital Library, including site redesign, technical troubleshooting for OAI-PMH metadata harvesting, and coordinated software upgrade.

April 2011-September 2013

**Executive Director, Utah Library Association**

Redesigned ULA's web presence by creating new website in Drupal. Developed and maintained ULA's web site, annual conference web site, membership database, and mailing list. Set up and managed ULA social media accounts including Facebook, Twitter, Flickr, and LinkedIn. Facilitated communication among association members. Served as ex-officio member of ULA Board and Executive Board. Served on Legislative Committee. Coordinated ULA's presence for annual Utah Non-Profits Association Day on the Hill. Authored and maintained training materials for ULA members on membership database and creating content for web site.

June 2011-July 2012

**retroReveal Project Manager**

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Assisted in the development of web based services for a unique digital imaging site, which resulted in better ease of use for users wishing to uncover hidden elements in digital images containing palimpsest materials. Coordinated staff work, developed online content, and provided general administrative support.

November 2007-May 2011

**Project Manager, Western Soundscape Archive**

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Provided project management for the Western Soundscape Archive, an Institute of Museum and Library Services funded digital collection of animal sounds. Coordinated work on the digital collection from a variety of library staff. Updated and monitored digitization and metadata cataloging workflow. Prepared reports for funding agency. Exhibited at conferences. Authored lesson plan based on Utah State curriculum objectives.

September 2006-August 2007

**Program Manager, Utah Digital Repository**

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Provided project management, training, development, and outreach for the Utah Digital Repository, a one-year pilot project funded by LSTA. Developed public interface for statewide institutional repository. Provided support to Utah digital repository pilot sites. Created reports for funding agency.

2006-2007

**Substitute Librarian**

Salt Lake City Public Library, Salt Lake City, UT

Provided reference services at various library departments and library branches.

September 2002-May 2006

**Coordinator of First-Year Library Instruction**

Tufts University, Tisch Library, Medford, MA

Provided reference service in person and online. Coordinated and assessed library instruction for First-Year Writing Program and Advising Program. Created instructional materials and handouts in a variety of formats. Served on committees and working groups in support of the library's transition to a new integrated library system. Chaired the Tufts Libraries Web Development Team. Developed and maintained the reference department's blog and wiki, used to facilitate internal communication. Trained staff on blog and wiki use.

September 2000-August 2002

**Instruction Librarian**

University of Utah, J. Willard Marriott Library, Salt Lake City, UT

Coordinated and promoted short classes offered each semester on software, technology applications, and library research. Developed and taught classes on software applications.
